## **UNSECURED BUSINESS LINES OR CREDIT CARDS**

Whether you're looking to expand your business now or in the future, **we can get you approved for up to \$500,000** in unsecured business bank lines and/or credit cards (not counting personal credit cards).

In addition to the many advantages of business lines and credit cards, applying for them does not affect your personal credit file and helps you build credit on your corporation as you grow within this challenging financial environment. We are able to procure 4 to 8 business credit cards based on your credit score alone (no collateral or documents). Your corporation can be any age, and a D&B credit score is not required. All we ask is that your credit history be pristine.

### **The requirements are as follows:**

- Credit Score of 720 or higher
- 3 to 5 lines open for at least 2 years
- Minimal inquiries within the past year
- Low debt to credit ratio
- Corporation (can be new)
